CLINIC UPDATE

22ND APRIL 2020

On 21 April 2020 the Prime Minister announced that the ban on IVF procedures would be lifted.

This is good news for our patients and we are recommencing IVF, Frozen Embryo Transfer (FET) and Intrauterine Inseminations (IUI).

The safety of patients and staff will remain paramount so we will proceed with increased safety measures within the clinic.

SAFETY MEASURES WILL INCLUDE;

- Social distancing in the waiting room.
- Screening will be carried out on arrival at the Clinic and Day Hospital
- Hand washing or use of hand sanitizers upon entering the clinic

CLINIC CHANGES

- Increased use of Personal Protective equipment in the clinical areas.
- Continuation of scheduling ultrasound appointments to reduce patient contact.
- Single person admission is preferred.
- On line and phone consultation with infertility specialists and nursing staff.
- On line consenting for treatment.
- Laboratory phone consultations only.
- A COVID-19 Consent Form to be completed for each Perth Day Surgery Centre visit.

We are open and available to assist you with your treatment cycle.

WE HOPE YOU STAY SAFE AND WELL

Please refer to the following link from the Fertility Society of Australia Response Committee (COVID-19) for further information which may assist with any queries you may have with regards to your fertility treatment.
